This attestation of conformity applies to the following product:

Product designation	Production place (address)
Molykote™ 111 compound	DDP Specialty Products Germany GmbH & Co. Rheingastr. 34, 65201 Wiesbaden, Germany

Our expert assessment is made on the premise that all base materials used in production have been declared in their entirety and that no further materials have been added to the product. The validity of this document expires in the event of changes in the composition of the material or in the processing conditions.

The results of our tests and the evaluations apply to the examined items and the legal regulations applicable at the time of the test. The certificate shall not be reproduced, except in full, without written approval of the Institute.
